## BIBI & TINA: BEWILDERED AND BEWITCHED

### SYNOPSIS

The atmosphere is gloomy at Falkenstein castle. Amid busy preparations for a festive costume ball, there is a burglary. And the miscreants have not only made off with valuable paintings, but – far worse – Count Falko’s entire collection of monocles is gone. As if that weren’t bad enough, the mood at neighboring Martinshof holiday farm is equally glum – not a single guest has booked in yet. Bibi and Tina need to come up with a plan to promote the farm, and that includes a bit of showy sprucking. To top it all off, Bibi has her first serious crush. Of course, it would have to be on Tarik, who – along with his four chaotic brothers and sisters – is turning Martinshof upside down ... while guarding a dark secret..

### THE DIRECTOR

Writer-director Detlev Buck, having shown what he can do for little girls, ponies and children and family audiences in his HANDS OFF MISSISSIPPI turns his talents here to the hugely popular and internationally successful series of audio books, radio plays and animated series about the young witch Bibi Blocksberg (created by Elfie Donnelly) and her best friend Tina of which there are well over one hundred episodes in total. His unique narrative style and wry sense of humor guarantee BIBI & TINA’s appeal to audiences of all ages.
