SHIVERSTONE CASTLE 2

SYNOPSIS

Summer holidays are over and it's time for a reunion between the boys from Shiverstone Castle and the girls from the Rosenfels School. Their rivalry continues when they face off at the annual competition held at Lake Kapell. Yet their antics are cut short when Count Shiverstone's blimp crashes. With the Count recovering, the school suddenly is at the brink of financial ruin. His cousin Kuno comes up with a solution; selling to a Chinese investor who wants to move the estate to China where it is supposed to become a medieval theme park. When the boys realize what is about to happen, they hear of a long-forgotten treasure. Maybe this way they can save the castle – but is this treasure just a myth or is it real? This time, the kids have to stand together to save their beloved Castle.

THE DIRECTOR

Director and screenwriter Ralf Huettner was born in Munich in 1954 and studied at the University of Television and Film from 1981 to 1985. Huettner marked his film debut in 1987 with the fairy-tale tragicomedy CRIPPLES GO CHRISTMAS, for which he won the European Film Award in 1988.

As director of the television series DR. PSYCHO – DIE BÖSEN, DIE BULLEN, MEINE FRAU UND ICH, Huettner won the Adolf Grimme Award in 2008. Two years later he directed the film VINCENT WANTS TO SEA. The drama was highly successful with audiences and won many awards, including the Audience Prize at the Bavarian Film Awards in 2010 and Golden Lola for Best Film at the German Film Awards. For his work, he was awarded the first-ever Metropolis Prize from the German Federal Association of Directors in 2011.
