GOMORRAH

FOURTH SEASON

Having gone through hell and back, Genny and Patrizia have to establish a new balance of power after Genny has lost his brother-turned-nemesis Ciro. Enzo and Valerio confirm the leadership of their gang in downtown Naples. All of them will be faced with new threats and ruthless enemies as now, more than ever, the city is on the brink of relapsing into days of bloodbath. Genny will have to make difficult decisions to protect his family and resolves that it is time to change. Trying to rehabilitate himself within the community, he enters the business world and distances himself from old acquaintances. His rise to the top will take him to London, with his money at stake and with Azzurra increasingly involved in the Savastano empire. But nothing is quite what it seems on the surface. And once again, there will be war...
